Comm. Dougan asked Mr. Stover if the County should be charging for access to BS & A online. Mr. Stover explained there is a charge to access some of the Treasurer's information; however, he felt that if there were a charge for Equalization information it would create a need for additional staff to answer the in-coming phone calls. The Committee agreed to discuss a BS & A service fee in the near future.

Comm. McGrain asked if this was the only product available, and, is the cost comparable to what other units pay. Mr. Stover explained this was the most widely used, dependable and compatible program in the state and the cost is comparable to other units. MAY 18, 2011 FINANCE AGENDA STAFF REVIEW SUMMARY

RESOLUTION ACTION ITEMS:

The Controller's Office is recommending approval of the following resolutions:

1. Prosecuting Attorney / Friend of the Court - Resolution Authorizing Approvals for Reimbursement Requests and Contract Submissions Within the Electronic Grant Administration Management System (EGrAMS) by the Friend of the Court and Prosecuting Attorney

This resolution would authorize Ingham County to take the necessary steps to have our Prosecuting Attorney/Friend of the Court Cooperative Reimbursement Programs (CRP) in compliance with state requirements. The State of Michigan is now requiring IV-D (child support) agencies to submit their monthly reimbursement requests, and their annual (CRP) contract requests, within the Electronic Grant Administration Management System (EGrAMS). Therefore, this resolution will authorize the Prosecuting Attorney/Friend of the Court to be "Project Managers" for their respective Departments, the Financial Services Director to be the "Financial Officer", and the Board of Commissioners Chairperson will be the "Authorized Official" for the purposes of EGrAMS.

There is no direct financial impact to this Resolution; however, indirectly we must comply to continue to receive our CRP funding. (See the attached memo for details.)

2. Friend of the Court - Resolution To Amend The State Court Administrative Office Access And Visitation Grant Agreement

This resolution will authorize an amendment to the original Access and Visitation contract with the State Court Administrative Office (SCAO). The original Access and Visitation Agreement provided \$7,675 to the Ingham County Friend of the Court to promote facilitating noncustodial parents' access to visitation with their children through supervised parenting time and neutral drop-off and pick up services. SCAO awarded an additional \$5,000 to the Ingham County Friend of the Court, resulting in a total award of \$12,675.

3. Community Correction Advisory Board (CCAB) - Resolution to Authorize Entering Into a Memorandum of Understanding with the Michigan Association of Community Correction Advisory Boards (MACCAB) for Implementation of the Pretrial Risk Assessment Project to be Provided by Luminosity, Inc.

This resolution would authorize several things including the acceptance of an additional appropriation from the State of Michigan – Office of Community Alternatives for the Ingham County Community Corrections FY 2010 – 2011 Budget. These funds would pay the total cost (\$6,599) for Ingham County's share of the Pretrial Risk Assessment Project through the vendor, Luminosity, Inc.

The Michigan Association of Community Correction Advisory Boards (MACCAB) which is the state wide association of CCABs negotiated a favorable cost proposal to provide assistance to member Michigan counties through this Pretrial Risk Assessment Project with the goal of improving local risk assessment policies and procedures. To accomplish this MACCAB has agreed to act as fiduciary for the project for all participating counties and will contract with Luminosity, Inc. for this project. In turn, Ingham County and other participating member Counties in MACCAB will authorize a Memorandum of Understanding (MOU) to participate in the program. (See attached memo from Ms. Sabaj on the benefits to Ingham County.)

4. *Circuit Court - Resolution to Approve the Purchase of Courtroom Technology from TeL Systems for the Circuit Court*

This resolution authorizes entering into a contract with Thalner Electronic Laboratories (TeL Systems) for the purpose of adding new video conferencing equipment in two of the Ingham County Circuit Court courtrooms in the Veterans Memorial Courthouse. This is a long term plan of the Court to have all Courtrooms have this capability to reduce the travel costs of bringing defendants to the Court and to improve security by having certain court proceedings being done from remote locations.

The other four Circuit Court courtrooms in the Veterans Memorial Courthouse had this equipment installed previously. Funds are contained within the existing Circuit Court CIP budget for this purpose. (See attached memo from Court Administrator David Easterday.)

5. *Mid-South Substance Abuse Commission - Resolution Authorizing the Transfer of Funds to the Mid-South Substance Abuse Commission and a 2011 Contract for Accounting with Respect Thereto*

This resolution will authorize the transfer of State Liquor tax funds to Mid-South Substance Abuse Commission to use the funds for substance abuse prevention and treatment programs per the terms of the state statute, along with the accounting and auditing requirements. MCL 211.24(e), commonly known as the State Liquor Tax Law, allows Ingham County the option of retaining the entire amount of liquor tax revenue provided that these monies be used to offset property tax revenues by an equal amount, or the option of retaining one-half of the revenues and distributing the other half to the County's designated coordinating agency for substance abuse prevention and treatment services. The Board of Commissioners chose to keep one-half of the funds for the General Fund budget in 2011, and is now required to give the other half to the Mid-South Substance Abuse Commission for their use as described above. The expected/budgeted total distribution for 2011 is \$1,561,077, with Mid-South Substance Abuse Commission receiving \$780,538 and the County General Fund receiving the other half.

6. *Health Department - Resolution to Authorize Acceptance of the Mental Health Mini-Grant – Child & Adolescent Health Centers from the Michigan Department of Community Health and the Muskegon Area Intermediate School District*

This resolution authorizes acceptance of the Mental Health Mini-Grant – Child & Adolescent Health Centers from the Michigan Department of Community Health, which provides \$60,000 to provide mental health related activities at each of the Health Department's Child & Adolescent Health Centers (CAHCs), Otto Community Health Center, Willow Health Center and the School Wellness Program at Gardner Middle School from April 1, 2011 through September 30, 2011.

7. Farmland and Open Space Preservation Board - Resolution Authorizing Contracts with Yankee Appraisal Associates and Williams & Associates to Conduct Appraisals on Properties Approved for Purchase Through the Ingham County Farmland and Open Space Preservation Program

The resolution would authorize two (2) three-year appraisal contracts. Nineteen different vendors were contacted and three responded. Since the appraisals need to be completed by October 1, the Evaluation Committee recommends awarding multiple three-year contracts: one to Yankee Appraisal Associates for \$2,500 per appraisal and one to Williams & Associates for \$2,500 per appraisal in the first year increasing by \$100 per appraisal in each of the next two years. Yankee Appraisal Associates is a local vendor.

8a. Parks and Recreation Commission - Resolution Authorizing a Return to the General Fund of Previously Approved Trail Budget Funding and a Budget Adjustment to the Lake Lansing Park-North Land Acquisition Project

In 2006 and 2007, the Board authorized \$300,000 in the general fund as local match for an anticipated trail from Park Lake to Michigan State University. Easements along this trail have proved difficult to procure and the Parks Commission is recommending the lapse of \$292,230 in remaining general fund dollars. More specifically, the first \$21,563 would be used to cover a shortfall in Lake Lansing Park - North Land Acquisition Project and the remaining \$270,667 is returned to the general fund.

In October 2010, the County closed on the purchase of property known as the Lake Lansing Park - North Land Acquisition Project. The project was \$11,831 short in available financing and incurred \$9,372 in unanticipated property tax bills. Therefore, a \$21,563 budget transfer adjustment is required to close out this project.

8b. Parks and Recreation Commission - Resolution Authorizing a Return to the General Fund of Previously Approved Trail Budget Funding and Request for Funds to Construct a Snow Board Hill at Hawk Park

In 2008, the Board appropriated \$62,500 in general fund monies as local match for the Heart of Michigan Trail. Delhi Township opted to become project leader and plotted an alternative route which did not include the use of the County's funds. This resolution would authorize the lapse of the \$62,500. The Parks and Recreation Commission are requesting that \$35,000 of these lapse funds be transferred to the Hawk Island Tubing Hill project to be used for the construction of a snow board hill. The remaining \$27,500 would be returned to the general fund.

8c. Parks and Recreation Commission - Resolution Authorizing the Establishment of User Fees for the Disc Golf Course at Burchfield Park for 2011

The resolution establishes the 2011 disc golf user fee of \$4 per day for adults over 12 and an annual pass in the amount of \$40 per year.

9. Financial Services - Resolution Authorizing an Amendment and Restatement of Ingham County's Deferred Compensation Plan

Section 457 of the IRS code allows employees to save for retirement by setting aside money on a pre-tax basis. The employer is required to have a formal plan in place. The Plan has been in place for many years and is due to be reviewed. The resolution would authorize an amended plan that was prepared by the law firm Fraser, Trebillock, Davis & Dunlap.

10a. Management Information Services - Resolution to Approve the Purchase of a Fiber Optic Connection to Healthy Smiles Clinic from Arialink

The resolution would authorize a three-year contract with Arialink in the amount of \$24,100. The Board had previously authorized a contract with AT&T but ran into implementation issues that would have resulted in \$6,000 in additional implementation costs. The Arialink solution would result in \$1,340 in savings over the three-year period. Please refer to Tom Shewchuk's memorandum for additional information.

10b. Management Information Services - Resolution to Approve the Renewal of the Annual Maintenance for the Track-It Call Management Application from Numara Software Incorporated

This resolution authorizes a three-year renewal at a total cost of \$13,540, which is \$2,318 less than the current agreement.

10c. Management Information Services - Resolution to Approve the Renewal of the MUNIS Software Annual Support Agreement From Tyler Technologies

The MUNIS application has been utilized for years in Ingham County for a number of our financial and administrative applications. This resolution would authorize a one year contract renewal effective June 23, 2011, in the amount of \$133,777, a 5% increase from the current year. Please see Tom Shewchuk's memorandum for additional information.

11. Controller/Administrator - Resolution Updating Various County Fees for 2012

The Controller's Office annually prepares for the Board of Commissioners review details about adjustment of the fees for the upcoming budget process. This review has been completed and some adjustments are being presented to the Board of Commissioners for their consideration. This information was presented at the last round of committee meetings as a discussion item for input from the Board of Commissioners. A resolution recommending certain fee increases is now being presented at this round of meetings for adoption. (See attached memo for details.)

**RE: RESOLUTION AUTHORIZING APPROVALS WITHIN THE
ELECTRONIC GRANT ADMINISTRATION MANAGEMENT
(EGrAMS) SYSTEM BY THE FOC AND PA**

DATE: MAY 3, 2011

**CC: SHAUNA DUNNINGS, DAVID EASTERDAY, LISA MCCORMICK,
JILL RHODE**

Attached you will find a resolution authorizing approvals within the Electronic Grant Administration Management System, now required by the State of Michigan for the Friend of the Court and Prosecuting Attorney for their IV-D (child support enforcement) reimbursement and contract requests. There is no cost to the county of implementing this resolution; however, approval within EGrAMS will be necessary for continued annual reimbursement of approximately \$4 million for the PA and FOC offices.

The State of Michigan is requiring that reimbursement requests be submitted electronically retroactive to the start of the Oct. 1 fiscal year, and will require that the next IV-D contract be submitted within EGrAMS, probably in late June or early July.

Parties approving these items remain unchanged. The procedure of having the BOC Chair continue to sign a hard copy contract as submitted in EGrAMS, then having the Financial Services Director approve the contract within EGrAMS as an "Authorized Official", was proposed by Donna Smigiel at MGT as a solution which is being implemented in other counties.

A representative of the FOC and/or PA offices will be present at their respective liaison committee meetings on Thursday May 12, and at the Finance Committee meeting on Wednesday May 18, to answer any questions.

Introduced by the Law Enforcement, Judiciary and Finance Committees of the:

RE: Pretrial Risk Assessment Project

This Resolution approves entering into a Memorandum of Understanding with the Michigan Association of Community Corrections Advisory Boards (MACCB) to implement a Pretrial Risk Assessment Project. With the participation of at least eight Michigan counties, MACCAB, acting as fiduciary, will contract with Luminosity, Inc. for Dr. Marie VanNostrand and her associates to provide Project services.

The Project will build on the services provided to Ingham County by Luminosity, Inc. in 2010 and would be the next step in enhancing the ability of Pretrial Services to provide bond report recommendations based on an objective risk assessment instrument and will assist with the identification of pretrial defendants appropriate for some level of community supervision.

Luminosity, Inc. provided similar services to Oakland County at a cost of \$80,000. By including multiple counties (a minimum of 8) in the overall Project, the cost to all individual participating counties is significantly reduced (\$6,599.) The cost of the Project will be covered by Community Corrections State grant funds approved for this Project.

Luminosity will provide the following services to Ingham County with a Project completion deadline of September 30, 2011:

Phase I: Provide a detailed review of pretrial services agencies procedures to ensure that current practices include collection and verification of all necessary information to complete an accurate assessment, identify the most appropriate and beneficial point to complete the risk assessment; and ensure the proper infrastructure is in place for the collection of risk assessment, program performance and outcome measures, and other needed data for future local validation of the assessment. Recommendations will be made regarding necessary modifications to pretrial services agency practices to ensure that an accurate risk assessment can be successfully implemented and to prepare for future local validation.

Phase II: A one day regional onsite training will be provided to all pretrial services staff on the proper risk factor collection, interpretation, and assessment completion. In addition, the training will include critical foundation related information including the concepts of pretrial justice and legal and evidence-based practices, and the research behind the Virginia Model pretrial risk assessment as adopted for Oakland County, Michigan.

Phase III: Onsite technical assistance to provide subject matter expertise and assistance with proper instrument completion and integration of the assessment into agency and system practices.

Introduced by the Law Enforcement, Judiciary and Finance Committees of the:

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION TO AUTHORIZE ENTERING INTO A MEMORANDUM OF UNDERSTANDING WITH THE MICHIGAN ASSOCIATION OF COMMUNITY CORRECTION ADVISORY BOARDS (MACCAB) FOR IMPLEMENTATION OF THE PRETRIAL RISK ASSESSMENT PROJECT TO BE PROVIDED BY LUMINOSITY, INC.

WHEREAS, the Jail Utilization Coordinating Committee (JUCC) and the Community Corrections Advisory Board (CCAB) have consistently recommended Pretrial Services enhancements as an important strategy to address the complex problems associated with managing the jail population, including implementation of an objective risk assessment process to be conducted by Pretrial Services to assist in assessing risk to help target appropriate defendants for pretrial supervision and treatment resources; and

RE: Resolution Authorizing Courtroom Video Conferencing Equipment

The Circuit Court will have Video Conferencing equipment in four of the six Courtrooms in the Veterans Memorial Courthouse by the end of June. Judge Lawless and Judge Baird received new equipment two years ago, and Judge Aquilina and Judge Manderfield are getting new equipment this year.

Pursuant to MCR 6.006, Circuit Courts may use two way interactive video technologies to conduct many proceedings between a Courtroom and a prison, jail or other locations. Some of the proceedings include:

- Initial arraignments
- Pretrial Conferences
- Pleas
- Show Cause Hearings
- Testimony from an expert witness
- Testimony from others for certain hearings

Earlier this year we met with representatives of the Department of Corrections to explore the possibility of expanding the use of video teleconferencing in order to reduce the volume of prisoner transport in the State. MDOC is very enthused about us having more Courtrooms with teleconferencing capabilities and eliminate the need to transport an individual at an estimated cost of \$1,000 / inmate.

The Circuit Court has \$40,000 approved in the 2011 CIP Budget for equipment in Judge Draganchuk's and Judge Canady's Courtrooms. The proposal received from Thalner Electronic Laboratories for the two Courtrooms totals \$40,641.50. Teri Morton has agreed that it is reasonable for the additional \$641.50 to come out of the equipment revolving fund.

Your approval of the equipment for the two Courtrooms is requested.

Introduced by the Judiciary and Finance Committees of the:

INGHAM COUNTY BOARD OF COMMISSIONERS

**RESOLUTION TO APPROVE THE PURCHASE OF COURTROOM TECHNOLOGY FROM
TEL SYSTEMS FOR THE CIRCUIT COURT**

WHEREAS, the Circuit Court has a need to add new video conferencing equipment in Judge Draganchuk's and Judge Canady's Courtrooms; and

WHEREAS, these upgrades will allow the Court to provide better customer service by utilizing state-of-the-art technology; and

WHEREAS, the Circuit Court along with other Ingham County Courts, in conjunction with Purchasing and Management Information Services (MIS) sought proposals for similar technology for other Courtrooms and Hearing Rooms; and

WHEREAS, an Evaluation Committee comprised of Circuit Court, District Court, Probate Court, Friend of the Court, Family Court, Purchasing and MIS reviewed proposals for the technology for the other Courtrooms and Hearing Rooms; and

WHEREAS, the same technology would be used for these two Courtrooms; and

WHEREAS, the total costs will be paid out of the Circuit Court budgeted CIP funds (\$40,000) and the equipment revolving fund (\$641.50).

THEREFORE BE IT RESOLVED, that the Board of Commissioners authorizes entering into a contract with TeL Systems, at a cost of \$40,641.50 for the purpose of supplying and installing video conferencing equipment courtroom technology.

BE IT FURTHER RESOLVED, that the Chairperson of the Ingham County Board of Commissioners and the County Clerk are authorized to sign any contract / purchase documents consistent with this resolution and approved as to form by the County Attorney.

Re: Mid-South Substance Abuse Commission Contract

Date: April 28, 2011

This resolution will authorize the transfer of State Liquor tax funds to Mid-South Substance Abuse Commission to use the funds for substance abuse prevention and treatment programs per the terms of the state statute, along with the accounting and auditing requirements. MCL 211.24(e), commonly known as the State Liquor Tax Law, allows Ingham County the option of retaining the entire amount of liquor tax revenue provided that these monies be used to offset property tax revenues by an equal amount, or the option of retaining one-half of the revenues and distributing the other half to the County's designated coordinating agency for substance abuse prevention and treatment services. The Board of Commissioners chose to keep one-half of the funds for the General Fund budget in 2011, and is now required to give the other half to the Mid-South Substance Abuse Commission for their use as described above.

The expected/budgeted total distribution for 2011 is \$1,561,077, with Mid-South Substance Abuse Commission receiving \$780,538 and the County General Fund receiving the other half.

2011 marks the fourth year that distributions are now made quarterly. This resolution authorizes a contract for the distributions made in 2011 up to an amount not to exceed \$780,538. Should the total distribution for 2011 exceed the amount budgeted, it will be addressed in the final quarterly budget adjustment of 2011.

RE: Resolution Authorizing a Return to the General Fund of Previously Approved Trail Budget Funding and a Budget Adjustment to the 2010 Lake Lansing Park-North Land Acquisition Project

This resolution authorizes a budget adjustment returning \$292,230 to the General Fund. These monies represent a portion of \$300,000 in funds that were approved in the 2006 and 2007 Capital Improvement Budgets for a segment of the Heart of Michigan Trail between Park Lake Road and Michigan State University. Easements along this trail segment have proved difficult to procure and it is anticipated project expenses will exceed the 2006 proposed budget. Additional County funding for the Park Lake Road trail segment is unlikely in the foreseeable future and Parks Department staff is recommending these funds be returned to the General Fund.

In October of 2010 the Lake Lansing Park-North land purchase was completed with an \$11,830.77 budget shortfall due to errors and omissions and additional appropriation needs. In addition, following the property closing the County received unanticipated tax bills in the amount of \$9,732.35. These tax bills were paid by the Friends of Ingham County Parks in an effort to avoid late payment penalties.

In addition to the return of \$292,230 to the General Fund, this resolution approves the transfer of 21,563.12 of the returned trail funds to line item 450-75250-973900-57000 to cover the Lake Lansing Park-North Land Acquisition project shortage and reimburse the Friends of Ingham County Parks for the payment of the tax bills.

WHEREAS, the balance of these funds is \$292,230; and

RE: Resolution Authorizing a Return to the General Fund of Previously Approved Trail Budget Funding and Request for Funds to Construct a Snow Board Hill at Hawk Island

This resolution authorizes a budget adjustment returning \$62,500 to the General Fund. These monies were approved for the Heart of Michigan trail funding in the 2008 Capital Improvement Budget. Delhi Township opted to become the project leader on the Jolly Road to Hope Soccer Complex trail segment and an alternative route was plotted for this segment which did not include the use of Ingham County funds as a part of the alternate route project budget.

In March a representative of Landscape Architects and Planners, a member of the community Pete Boscheff, and George Leichtweis of Modern Skate & Surf, approached the Parks & Recreation Commission with a proposal to incorporate a snowboard hill that would meet the current trends associated with this winter sport in conjunction with the current snow tubing hill being constructed. It has been determined a beginner, intermediate, and advanced snow board run with a tow rope system could be incorporated into the snow tubing hill for approximately \$35,000. The addition of a CATA bus stop within Hawk Island this year ensures the snow tubing and a snow board hills would be very accessible to the residents of Lansing and Ingham County. It is anticipated donations for such "tricks" as such as grind rails, fun boxes, flat rails, round rails, and hips would be sought and not included in the cost of construction. This proposal has the support of the Parks & Recreation Commission.

It is expected the costs of construction could be recouped as this would be a revenue generating activity. Both the snowboard hill and snow tubing hill could be open most of the winter season as snowmaking equipment will be used to manufacture snow.

A Participant's Account shall not be paid (or otherwise made available) to the Participant except as a Retirement Distribution (including a transfer described in Section 7.14) or a Death Benefit Distribution, or as a Hardship Distribution (all as defined and provided below).

1.3 **No Right Other Than Provided by Plan.** The establishment of the Plan and the purchase or retention of any Investment Contract(s) or other investments under the Plan shall not be construed as giving to any Participant or Beneficiary or any other person any legal or equitable right against the Employer or its representatives, except as expressly provided by the Plan.

1.4 **Plan is Binding.** This Plan, and all acts and decisions taken under it, shall be binding and conclusive, for all purposes, upon all interested persons, and upon the heirs, executors, administrators, and successors of any and all such persons.

1.5 **Effective Date.** This amendment and restatement of the Plan shall be effective as of January 1, 2011, except as otherwise specifically provided.

The value of the Participant's Account is the value of the applicable sub-account(s) under the Investment Contract(s). If the Participant designates more than one Beneficiary for either a "primary" or "contingent" status, all Beneficiaries of that status shall have equal shares, unless the Participant specifies otherwise.

Article 3

Administration

3.1 **Discretionary Powers and Authority of Administrator.** The Administrator shall interpret and construe the provisions of the Plan, decide any disputes which may arise relative to the rights of Employees, past and present, and their Beneficiaries, under the terms of the Plan, give instructions and directions with respect to the Investment Contract(s), as necessary, prescribe procedures to be followed by Participants or Beneficiaries filing applications for benefits and, in general, direct the administration of the Plan. Any person affected by the Plan may consult with the Administrator on any matters relating to the Plan. The Administrator shall have any and all power and authority (including discretion with respect to the exercise of that power and authority) which are necessary or convenient to enable it to carry out its duties under the Plan. By way of illustration and not limitation, the Administrator has the power and authority to

(a) make rules and regulations with respect to the administration of the Plan that are not inconsistent with the Plan, the Code and, if applicable, ERISA;

(b) determine all questions that may arise as to the eligibility, benefits, status and rights of any person claiming benefits under the Plan; and

(c) subject to and consistent with the Code and, if applicable, ERISA, construe and interpret the Plan and correct any defect, supply any omissions or reconcile any inconsistencies in the Plan.

3.2 **Records.** The Administrator shall keep records containing all relevant data pertaining to the administration of the Plan.

3.3 **Assurance of Receipt of Benefits.** The Administrator shall take all necessary action to ensure that Participants receive the benefits to which they are entitled under the Plan.

3.4 **Conflict of Interest.** The Administrator may not decide any matter relating solely to the Administrator's rights or benefits under the Plan; these decisions shall be made by an individual appointed by the Board.

3.5 **Exercise of Discretion on Uniform Basis.** In those instances where the Administrator is granted discretion in making its determinations, and the decision of the Administrator affects the benefits, rights or privileges of Participants, such discretion shall be exercised uniformly so that all Participants similarly situated are similarly treated.

3.6 **Employment of Agents.** The Administrator has the right to employ agents and advisors to assist the Administrator in the performance of its duties, and it has the right to delegate administrative duties to such agents.

3.7 **Reliance Upon Information and Advice.** The Administrator may rely upon the written information, opinions or certificates supplied by any agent, counsel, actuary, investment manager, physician or fiduciary.

3.8 **Compensation of Administrator.** The Administrator, if it is not an Employee of Employer, shall be paid a reasonable compensation for its services on behalf of the Plan, as may be agreed upon from time to time by the Employer and the Administrator.

3.9 **Reimbursement for Expenses.** Any expense properly incurred by the Administrator shall be reimbursed or otherwise paid in full from the Plan to the extent such expense is not reimbursed or otherwise paid by the Employer.

3.10 **Liability Limitations.** The Administrator is not liable or responsible for the acts of commission or omission of another fiduciary, unless:

(a) the Administrator knowingly participated or knowingly attempted to conceal the act or omission of another fiduciary and the Administrator knew the act or omission was a breach of fiduciary responsibility by the other fiduciary,

(b) the Administrator had knowledge of a breach by the other fiduciary and did not make reasonable efforts to remedy the breach, or

(c) the Administrator's breach of the Administrator's fiduciary responsibility permitted the other fiduciary to commit a breach.

3.11 **Resignation of Administrator.** The Administrator may resign by giving written notice to the Employer not less than 30 days before the effective date of the resignation.

3.12 **Removal of Administrator; Filling Vacancy.** The Administrator may be removed at any time, without cause, by the Board. In such case, the Board shall fill the vacancy as soon as reasonably possible after the vacancy occurs. Until a new Administrator is appointed, the Board has full authority to act as the Administrator.

3.13 **Allocation and Delegation of Responsibilities.** If more than one person is appointed as Administrator, the responsibilities of each Administrator may be specified by the Board and accepted in writing by each Administrator. In the event that no such delegation is made by the Board, the Administrators may allocate the responsibilities among themselves, in which event the Administrators shall notify the Board and the issuer of an Investment Contract in writing of such action and specify the responsibilities of each Administrator. The issuer of an Investment Contract thereafter may accept and rely upon any documents executed by the appropriate Administrator until such time as the Board or the Administrators file with the issuer of an Investment Contract a written revocation of such designation.

3.14 **Majority Actions.** Except where there has been an allocation and delegation of administrative authority pursuant to Section 3.13, if there is more than one Administrator, they shall act by a majority of their number, but they may authorize one or more of them to sign all papers on their behalf.

Article 4

Voluntary Participant Contributions

4.1 **Enrollment for Voluntary Participant Contributions.** An Employee may elect to make voluntary Participant Contributions to the Plan by entering into a Participation Agreement. The amount of voluntary Participant Contributions provided for under a Participation Agreement may not be less than the minimum amount, if any, required under the Investment Contract(s) in which the Participant's Account is invested, and they may not exceed the limits on Contributions set forth in Article 5 below.

4.2 **Deferral Date.** Voluntary Participant Contributions may be made to the Plan for any calendar month only if a Participation Agreement providing for the Contributions has been entered into before the first day of the month. In the case of a new Employee, voluntary Participant Contributions may be made for the calendar month during which the Employee was hired if a Participation Agreement providing for the Contributions is entered into before the date on which the Employee becomes an Employee.

4.3 **Amendment of Participation Agreement.** A Participant Agreement shall remain in effect until modified in writing by the Participant. Subject to the requirements of Section 4.2 and this Section, a Participant may at any time amend his or her Participation Agreement to change the amount of his or her voluntary Participant Contributions, his or her investment designation, and his or her designated Beneficiary. An amendment to a Participation Agreement shall not become effective prior to the date on which it is received by the Administrator. A change in the amount of voluntary Participant Contributions shall take effect as of the next month. A change in investment designation shall take effect at the times uniformly applied by the Administrator and according to the provisions of the Investment Contract(s). A change in a Beneficiary designation shall become effective upon receipt by the Administrator.

4.4 **Leave of Absence.** Unless a Participant's Participation Agreement is otherwise amended, if the Participant is absent from work due to a leave of absence, voluntary Participant Contributions shall continue under the Plan with respect to the Participant to the extent that his or her Compensation continues. If the Participant does not have Compensation during the leave of absence, his or her voluntary Participant Contributions shall resume when the Participant returns to work.

Article 5

Limitations on Contributions

5.1 **Maximum Amount of Contributions.** Except as provided in Sections 5.2 and 5.3 below, the maximum amount of Contributions with respect to a Participant for any taxable year shall not exceed the lesser of:

- (a) the Applicable Dollar Amount, as defined in Code section 457(e)(15)(A) and as adjusted for cost-of-living in accordance with Code section 457(e)(15)(B) (the “Applicable Dollar Amount”); or
- (b) 100% of the Participant's Includible Compensation.

5.2 **Special Catch-Up.** Notwithstanding Section 5.1, for one or more of the Participant's last three taxable years of employment with the Employer ending before the Participant attains Normal Retirement Age, the ceiling set forth in Section 5.1 shall be the lesser of:

- (a) twice the Applicable Dollar Amount in effect under Section 5.1(a) above; or
- (b) the sum of the Plan ceiling established for purposes of Section 5.1 for the taxable year (determined without regard to this Section), plus so much of the Plan ceiling established for purposes of Section 5.1 for taxable years before the taxable year in question as has not previously been used under Section 5.1 (the “Underutilized Amount”). A prior taxable year shall be taken into account under this subsection (b) only if:
 - (1) it begins after December 31, 1978,
 - (2) the Participant was eligible to participate in the Plan during all or any portion of the taxable year, and
 - (3) compensation deferred (if any) under the Plan during the taxable year was subject to a plan ceiling established under Regulation section 1.457-2(e)(1).

The provisions of this Section 5.2 may not be utilized by the same Participant more than once, whether or not they are used in less than all of the three taxable years ending before the Participant attains Normal Retirement Age and whether or not the Participant rejoins the Plan or participates in another eligible plan after retirement.

In determining a Participant’s Underutilized Amount, the Plan shall take into consideration:

(i) Prior to 2002, if a Participant made deferrals to the Plan and deferrals to any other Code section 457(b) plan, salary reduction contributions made to Code section 401(k) plans, Code section 403(b) plans, Code section 402(h)(1) simplified employee pension (SARSEP) plans, Code section 408(p) simple retirement accounts, and amounts deferred under any plan for which a deduction is allowed because of a contribution to an organization described in Code section 501(c)(18), such deferrals to the other plans will be taken into account in determining a Participant’s Underutilized Amount under Code Section 457(b)(2). In addition, Includible Compensation shall be limited to the limitation in effect in the calendar year in which the deferrals were made. If such deferrals cumulatively exceed the then-applicable dollar amount in Code section 457(b)(2) in the year that such amounts were deferred, then there will be no Underutilized Amount for that year.

(ii) To the extent that the Employer did not maintain a Code section 457(b) plan, no underutilized limitation is available to a Participant for that prior year.

(iii) After 2001, only deferrals to Code section 457(b) plans will be taken into account for the purposes of determining the Underutilized Amount.

5.3 **Age 50 Catch-Up Contributions.** The Applicable Dollar Amount described in Section 5.1 (a) is increased for a Participant who has attained age 50 or more by the end of the taxable year. The additional amount permitted by this Section is the applicable dollar amount set forth in Code section 414(v)(2)(B). This Section shall not be applicable for any taxable year in which Section 5.2 applies.

5.4 **Relationship to Other Plans.** An individual may participate in more than one Code section 457(b) plan. If an individual participates in two or more plans, any amount deferred under one plan reduces the amount that may be deferred under another, so that the total amount deferred under all such plans does not exceed the amount which could be deferred under a single plan. If an individual participates in two or more Code section 457(b) plans maintained by different employers, the maximum amount excludable from the gross income of the participant for a taxable year on account of amounts deferred under each plan cannot exceed the Applicable Dollar Amount, except to the extent that the catch-up limitation permitted under Section 5.2 or Section 5.3 applies. Determinations under this Article 5 involving multiple eligible plans will be made in accordance with the Regulations under Code section 457.

5.5 **Distribution of Excess Deferrals.** Any Excess Deferral with respect to a Participant for a taxable year resulting from this Plan's failure to apply the limitations of this Article 5 will be distributed to the Participant, with allocable net income, as soon as practicable after the Plan determines that the amount is an Excess Deferral.

Article 6

Investments

6.1 **Investment of Plan Assets.** Deferred Compensation and Eligible Rollover Distribution amounts shall be deposited in the Investment Contract(s) and shall be invested thereunder in such manner as directed by the Participant or Beneficiary to whose account such amount is credited. The Administrator or its designee shall furnish to Participants and Beneficiaries a written description of the investment choices made available under the Investment Contract(s) and instructions concerning how they may direct the investment of their Accounts among the investment choices provided. Participants and Beneficiaries may change their investment directions in such manner and at such times as announced by the Administrator or its designee. If a Participant or Beneficiary fails to provide proper investment directions for his or her Account, the Administrator may, but shall not be required to, direct the investment of such Account.

6.2 **Adjustments to Accounts.** All interest, dividends, charges for premiums and administrative expenses, and changes in value due to market fluctuations applicable to each Account shall be credited or debited to the Account as they occur or such other reasonable times determined by the Administrator.

6.3 **Plan Assets Held for Exclusive Benefit of Participants.** All assets of the Plan, including all Deferred Compensation and Eligible Rollover Distribution Amounts, property and rights purchased with such amounts, and all income attributable to such amounts, property or rights, shall (until made available to the Participant or Beneficiary) be held in a trust, custodial account or annuity contract described in Code section 457(g) for the exclusive benefit of Participants and their Beneficiaries.

Article 7

Distribution of Accounts

7.1 **Payment of Deferred Compensation.** Upon a Participant's severance from employment with Employer or death, the Participant's Account shall be payable as a Retirement Distribution (Sections 7.2 through 7.4, below) or as a Death Benefit Distribution (Sections 7.5 through 7.6, below), subject to the provisions of the Plan. In addition to any other provisions of the Plan, any Retirement Distribution or Death Benefit Distribution shall conform to the applicable requirements of Code sections 457(d)(2) and 401(a)(9) and the Regulations issued thereunder.

7.2 **Retirement Distribution.** Upon a Participant's severance from employment with Employer, the Participant shall be entitled to receive his or her Account under any Payout Option, including a single sum distribution, that satisfies the provisions of the Plan. Subject to Section 7.3 below, a Retirement Distribution shall commence as of the date elected by the Participant. Any irrevocable election of a benefit commencement date made by a Participant or Beneficiary prior to January 1, 2002 and defaulted distributions (other than a defaulted distribution to an annuity option) may be voided at the election of the Participant or Beneficiary.

7.3 **Required Beginning Date.** Consistent with the requirements of Code section 401(a)(9)(C), a Retirement Distribution shall begin not later than April 1 of the Year following the Year during which the Participant attains age 70½, or following the Year during which the Participant has a severance from employment with Employer, whichever occurs later (or the other date required or any other date permitted by Regulations under Code section 401(a)(9)).

7.4 **Required Distribution Amounts.** Any Retirement Distribution shall be made according to a Payout Option that provides, according to Regulations under Code section 401(a)(9) that:

(a) the entire Account will be distributed over the lives or over a period not extending beyond the life expectancy of the Participant and his or her designated Beneficiary, and

(b) the amounts payable with respect to the Participant will be paid at times which are not later than the times required by Code section 401(a)(9)(G) (relating to incidental death benefits).

7.5 **Death Benefit Distribution.** Upon the Participant's death before a distribution has begun under Section 7.2 above (or upon the "primary" Beneficiary's death before a distribution to him or her has begun), each Beneficiary shall be entitled to receive his or her separate account under the Participant's Account under any Payout Option that satisfies the provisions of the Plan. Subject to Section 7.6 below, a Death Benefit Distribution shall commence as of the date elected by the Beneficiary.

7.6 **Required Beginning Date and Distribution Amounts.** Any Death Benefit Distribution shall satisfy the applicable requirements provided below:

(a) *If the Beneficiary is the surviving Spouse*, the distribution shall begin not later than the last day of the Year after the Year in which the Participant would have attained age 70½ (or any later date that may be permitted by Regulations under Code section 401(a)(9)), and the entire Account shall be distributed, in accordance with Regulations under Code section 401(a)(9), over the life or over a period not extending beyond the life expectancy of the Spouse.

(b) *If the Beneficiary is not the surviving Spouse*, the distribution shall begin not later than the last day of the Year after the Year in which the Participant's death occurs (or any later date that is permitted by Regulations under Code section 401(a)(9)), and the entire Account shall be distributed, in

accordance with Regulations under Code section 401(a)(9), over a period not extending beyond the life expectancy of the Beneficiary.

7.7 **Hardship Distribution.** If the Participant is faced before his or her severance from employment with Employer with an unforeseeable emergency that is approved by the Administrator as meeting the requirements of Section 7.8 below, the Participant shall be entitled to receive a distribution (as a cash lump sum) of the amount determined by the Administrator to be the amount that is reasonably needed to satisfy the emergency need.

7.8 **Definition of Unforeseeable Emergency.** An unforeseeable emergency means a severe financial hardship to the Participant resulting from a sudden and unexpected illness or accident of the Participant or of a dependent of the Participant (as defined by Code section 152(a)), loss of the Participant's property due to casualty, or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the Participant. The need to send the Participant's child to college or the desire to purchase a home shall not be considered an unforeseeable emergency. The determination as to whether an unforeseeable emergency exists shall be based on the facts of each individual case.

A Hardship Distribution shall not be paid to the extent that the financial hardship is or may be relieved through reimbursement or compensation by insurance or otherwise, by borrowing from commercial sources on reasonable commercial terms to the extent that this borrowing would not itself cause a severe financial hardship, by cessation of deferrals under the Plan, or by liquidation of the Participant's other assets (including the assets of the Participant's Spouse and minor children that are reasonably available to the Participant) to the extent that this liquidation would not itself cause severe financial hardship.

7.9 **Life Expectancy.** Any determination of life expectancy for the purposes of the Plan shall be made by using the unisex tables specified in Regulations under Code sections 401(a)(9).

7.10 **Distribution to Minor or Incompetent Beneficiary.** If a distribution is to be made to a minor Beneficiary or to a Beneficiary that the Administrator finds to be unable to care for his or her affairs, the Administrator, in its sole discretion, may direct (if no claim has been made by a duly appointed representative) that any payment(s) be made to the legal guardian of the Beneficiary, or if none, to a parent of the Beneficiary or a responsible adult with whom the Beneficiary maintains his or her residence, or to the custodian for the Beneficiary under the State Gift to Minors Act, or to any person determined by the Administrator to be a proper recipient for the Beneficiary. This payment(s) shall be in full satisfaction of all claims.

7.11 **Inability to Locate Payee.** If a distribution under the Plan cannot be paid because the payee cannot be located, the Administrator shall delay payment for the time provided by the State Unclaimed Property Law and upon the expiration of that time shall pay over any amount as directed by the law.

7.12 **Dispute as to Proper Payee.** If a dispute arises as to the proper payee of any payment(s), the Administrator, in its sole discretion, may withhold or cause to be withheld any payment(s) until the dispute is finally determined by a court of competent jurisdiction or is settled by all the parties concerned.

7.13 **Small Balance Distributions.** Upon proper written request to the Administrator, a Participant may elect to receive a small balance distribution, payable in a lump sum, if the value of the Participant's Account is \$5,000.00 or less, and the Participant has not deferred any amount to the Plan for a period of two years prior to the distribution. A Participant may take a small balance distribution under this Section only once while a Participant in the Plan.

7.14 **Plans Transfers and Eligible Rollover Distributions.**

(a) If a Participant terminates employment with Employer and accepts employment with another employer which maintains an eligible deferred compensation plan (as defined in Code Section 457(b)) and the new employer's plan accepts transfers, the Participant may transfer his or her Account from the Plan to the plan maintained by the new employer.

(b) If Employer offers an eligible deferred compensation plan (as defined in Code Section 457(b)) other than this Plan and such other plan accepts transfers, the Participant may transfer his or her Account from this Plan to the other Plan. The Participant's election to make such a transfer shall be filed with the Administrator.

(c) Transfers from other eligible deferred compensation plans (as defined in Code Section 457(b)) to this Plan will be accepted at the Participant's request, if such transfers are in cash or non-annuity products currently offered under the Plan. Any such transferred amount shall not be subject to the limitations of Article 5, provided however, that the actual amount deferred during the calendar year under both plans shall be taken into account in calculating the deferral limitation for that taxable year. For purposes of determining the limitations set forth in Section 5.2, years of eligibility to participate in the prior plan and deferrals under that plan shall be taken into account.

(d) The Plan may receive an Eligible Rollover Distribution on behalf of a Participant from an Eligible Retirement Plan provided the Participant demonstrates to the Administrator's satisfaction that the amount is a qualifying Eligible Rollover Distribution under Code Sections 402(c)(4), 403(a)(4), or 408(d)(3).

(e) Subject to Section 7.3 above, a Participant may elect at the time and in the manner prescribed the Administrator, to have any portion of an Eligible Rollover Distribution paid directly to an Eligible Retirement Plan specified by the Participant, provided the Participant presents to the satisfaction of the Administrator a letter of acceptance or other written acknowledgment from the accepting plan that it is an Eligible Retirement Plan qualified to accept the Eligible Rollover Distribution. For distributions made on or after January 1, 2008, a Participant may elect to roll over directly an Eligible Rollover Distribution to a Roth IRA described in Code Section 408A(b).

(f) A Participant may use all or any portion of his or her Account as a direct trustee-to-trustee transfer to a Retirement System to purchase permissive service credit or for the repayment of service credits, provided that (1) the Retirement System permits such a transfer, and (2) the Participant demonstrates to the Administrator's satisfaction that the transfer is to a defined benefit governmental plan (as defined in Code Section 414(d)) and the transfer is permissible for the purchase of service credit (as defined in Code Section 415(n)(3)(a)) or for the repayment of service credits permissible by Code Section 415(k)(3).

(g) For distributions on or after January 1, 2010, a non-spouse beneficiary who is a "designated beneficiary" under Code Section 401(a)(9)(E) and the Regulations thereunder, by a direct trustee-to-trustee transfer ("direct rollover"), may roll over all or any portion of his or her distribution to an individual retirement account the beneficiary establishes for purposes of receiving the distribution. In order to be able to roll over the distribution, the distribution must otherwise satisfy the definition of an Eligible Rollover Distribution. If a non-spouse beneficiary receives a distribution from the Plan, the distribution is not eligible for a "60-day" rollover. If the Participant's named beneficiary is a trust, the Plan may make a direct rollover to an individual retirement account on behalf of the trust, provided the trust satisfies the requirements to be a designated beneficiary within the meaning of Code Section 401(a)(9)(E). A non-spouse beneficiary may not roll over an amount which is a required minimum distribution, as determined under applicable Regulations and other IRS guidance. If the Participant dies before his or her required beginning date and the non-spouse beneficiary rolls over to an IRA the maximum amount eligible for rollover, the beneficiary may elect to use either the 5-year rule or the life expectancy rule, pursuant to Regulation Section 1.401(a)(9)-3, A-4(c), in

determining the required minimum distributions from the IRA that receives the non-spouse beneficiary's distribution.

7.15 **Loans to Participants.**

(a) The trustee, custodian or issuer of an annuity contract holding legal title to the assets of the Plan may make loans to Participants and Beneficiaries under the following circumstances: (1) loans shall be made available to all Participants and Beneficiaries on a reasonably equivalent basis; (2) loans shall bear a reasonable rate of interest; (3) loans shall be adequately secured; (4) loans shall provide for periodic repayment over a reasonable period of time; (5) the minimum loan amount, if any, shall be specified in the participant loan program referenced in Subsection (d) below; and (6) no loan shall be made to a Participant or Beneficiary who has an outstanding loan from the Plan at the time.

(b) Loans made pursuant to this Section (when added to the outstanding balance of all other loans made by the Plan to the Participant) may, in accordance with a uniform and nondiscriminatory policy established by the Administrator, be limited to the lesser of:

(1) \$50,000 reduced by the excess (if any) of the highest outstanding balance of loans from the Plan to the Participant during the one year period ending on the day before the date on which such loan is made, over the outstanding balance of loans from the Plan to the Participant on the date on which such loan was made, or

(2) one-half (1/2) of the present value of the non-forfeitable accrued benefit of the Participant under the Plan.

For purposes of this limit, all plans of the Employer shall be considered one plan.

(c) Loans shall provide for level amortization with payments to be made not less frequently than quarterly over a period not to exceed five (5) years. However, loans used to acquire any dwelling unit which, within a reasonable time, is to be used (determined at the time the loan is made) as a "principal residence" of the Participant shall provide for periodic repayment over a reasonable period of time that may exceed five (5) years. For this purpose, a "principal residence" has the same meaning as a "principal residence" under Code Section 1034. Loan repayments may be suspended under this Plan as permitted under Code Section 414(u)(4).

(d) Any loans granted or renewed shall be made pursuant to a Participant loan program. Such loan program shall be established in writing and must include, but need not be limited to, the following:

(1) the identity of the person or positions authorized to administer the Participant loan program;

(2) a procedure for applying for loans;

(3) the basis on which loans will be approved or denied;

(4) limitations, if any, on the types and amounts of loans offered;

(5) the procedure under the program for determining a reasonable rate of interest;

(6) the types of collateral which may secure a Participant loan; and

(7) the events constituting default and the steps that will be taken to preserve Plan assets.

Such Participant loan program shall be contained in a separate written document which, when properly executed, is hereby incorporated by reference and made a part of the Plan. Furthermore, such Participant loan program may be modified or amended in writing from time to time without the necessity of amending this Section.

(e) Notwithstanding anything in this Plan to the contrary, if a Participant or Beneficiary defaults on a loan made pursuant to this Section, then the loan default will be a distributable event to the extent permitted by the Code and Regulations.

Article 8

Miscellaneous Provisions

8.1 **Amendment of Plan.** Ingham County may at any time amend the Plan. Any amendment shall not reduce the amount credited to any Account as of the date of the amendment, and shall not impair the rights of any person to any Account, except to the extent required by law. The Administrator shall give Participants notice of any Plan amendment.

8.2 **Termination of Plan.** Ingham County reserves the right to terminate the Plan at any time by action of its Board, subject to any collective bargaining obligations. Upon termination of the Plan, all Accounts shall be paid out to Participants and Beneficiaries as soon as administratively practicable.

8.3 **Anti-alienation.** Except as provided in Sections 7.15 and 8.4, Accounts shall not be subject to assignment or alienation, garnishment, attachment, transfer or anticipation, execution or levy, or other encumbrance of any kind, or transfer by operation of law in the event of a divorce or marital separation or of a bankruptcy or insolvency, except to the extent otherwise required by law. Except as provided in Sections 7.15 and 8.4, a Participant or Beneficiary shall not have any right to commute, sell, assign, pledge, transfer, or otherwise convey, use, or encumber any right to receive any payments under the Plan, which payments and rights are expressly declared to be non-assignable and non-transferable.

8.4 **Recognition of Approved Domestic Relations Orders.** In accordance with Code section 414(p)(1), as modified by Code section 414(p)(11), a Participant's benefit may be the subject of a domestic relations order between the Participant and an alternate payee (as defined in Code section 414(p)(8)) if the order is determined to be a Qualified Domestic Relations Order. The Administrator shall adopt reasonable procedures to determine the qualified status of domestic relations orders and to administer the distributions thereunder. Distributions may be made immediately to an alternate payee pursuant to a qualified domestic relations order before the date on which the Participant attains the earliest retirement age, as defined in Code section 414(p)(4)(B). Effective April 6, 2007, a domestic relations order that otherwise satisfies the requirements for a Qualified Domestic Relations Order ("QDRO") will not fail to be a QDRO: (i) solely because the order is issued after, or revises, another domestic relations order or QDRO; or (ii) solely because of the time at which the order is issued, including issuance after the annuity starting date or after the Participant's death.

8.5 **Governing Law.** This Plan is established with the intent that the Plan shall satisfy the requirements of an "eligible deferred compensation plan" under Code section 457(b) maintained by an eligible employer, as defined in Code section 457(e)(1)(A). The provisions of the Plan shall be interpreted whenever possible in conformity with the requirements of applicable provisions of the Code. Where the applicable law (including but not limited to, the Code) governing the Plan is amended, modified, or interpreted through subsequent legislation or rulings or decisions, the Plan's provisions shall be construed as incorporating any such amendment or modification or interpretation of the applicable law.

This Plan shall satisfy the requirements of any applicable laws of the State of Michigan. This Plan shall be construed and enforced under the laws of the State of Michigan.

8.6 **Headings.** The headings and subheadings and captions and numbering of provisions of the Plan have been inserted merely for convenience of reference, and in no way define or limit the scope or intent of any provisions of the Plan, and are to be ignored in any construction of the provisions of the Plan.

8.7 **Information to be Provided by Participants and Beneficiaries.** Participants and Beneficiaries shall provide the Administrator with any information reasonably required by the Administrator. A

Participant or Beneficiary or other person shall not have any rights to or otherwise be entitled to the payment of any Account under the Plan unless such information has been provided to the Administrator.

8.8 **Receipt and Release.** Any payment(s) or any agreement to make payment(s) shall, to the extent of the payment(s) or agreement, be in full satisfaction of all claims. The Administrator may (in its sole discretion), as a condition precedent to making or causing to be made any payment(s), or agreement to make payment(s), or transfer (under Section 7.14 above), require any person or entity to execute a receipt and release.

8.9 **Separability.** If any provision of the Plan is held invalid for any reason, the remaining provisions of the Plan shall be construed and enforced as if the invalid provision had not been included in the Plan, unless such a construction of the Plan would be clearly contrary to the intent of the Plan.

8.10 **Military Service.** Notwithstanding any provision of the Plan to the contrary, contributions, benefits, and service credit with respect to qualified military service shall be provided in accordance with Code section 414(u), effective as of December 12, 1994. For Years beginning on or after January 1, 2009, (i) an individual receiving a differential wage payment, as defined in Code Section 3401(h)(2), shall be treated as an Employee of the Employer making the payment, and (ii) the differential wage payment shall be treated as Includible Compensation. Notwithstanding the preceding sentence, for purposes of the distribution provisions of Article 7 of the Plan, a Participant is treated as having a severance from employment with the Employer during any period the Participant is performing service in the uniform services described in Code Section 3401(h)(2)(A). Effective for Years beginning on or after January 1, 2009, if a Participant elects to receive a distribution by reason of severance from employment, death or disability, the Participant may not make a Contribution to the Plan during the six-month period beginning on the date of the distribution. In the case of a death occurring on or after January 1, 2007, if a Participant dies while performing qualified military service (as defined in Code Section 414(u)), the survivors of the Participant are entitled to any additional benefits (other than benefit accruals related to the period of qualified military service) provided under the Plan as if the Participant had resumed and then terminated employment on account of death.

Re: Arialink Fiber Connection to Healthy Smiles Resolution

Dear Commissioners,

MIS and the Health Department originally sought proposals to upgrade connections to our clinics because they were slow. We awarded AT&T the business for the Healthy Smiles clinic at a cost of \$540.00 per month for a 2MB connection for a 3-year period. We attempted to implement the new connection at our Healthy Smiles Clinic, but ran into issues because we had to connect through McLaren Hospital. This would have added an additional \$6,000.00 of installation cost. We looked at alternatives and received a proposal from Arialink for a 10MB connection (an increase of 8MB) at \$600.00 per month, and a one-time installation fee of \$2,500.00.

MIS is recommending we implement the solution from Arialink at a savings of \$1,340.00 over the cost of the original AT&T solution.

Thank you for your consideration and please feel free to contact me if you have any questions.

Sincerely,

Tom

WHEREAS, due to unanticipated implementation issues an additional implementation cost of \$6,000.00 would need to occur to install the AT&T solution; and

WHEREAS, MIS originally sought 3 proposals (one being Arialink) and recommended purchasing a replacement 10MB connection from Arialink for the Healthy Smiles Clinic in lieu of the AT&T OPT-E-MAN solution at a cost of \$600.00 per month for a 3-year period plus a \$2,500 one-time installation fee for a total cost of \$24,100; and

Re: Numara Software Annual Maintenance Agreement Resolution

Dear Commissioners,

Management Information Services has been utilizing the Numara Software Track-IT application for over 10 years. This is a critical application for MIS because every IT service request is entered into this system (8,000 – 10,000 per year) and an inventory of all county hardware and software assets are tracked using this software. In order to maintain the software a maintenance agreement is required and I am recommending we purchase a 3-year agreement as opposed to a 1-year agreement as we did in 2010. This will yield a 3-year savings of \$2,318.25.

Thank you for your consideration and please feel free to contact me if you have any questions.

Sincerely,

Tom

Re: Tyler Technologies Munis Software - Annual Support Agreement Resolution

Dear Commissioners,

The Munis application has been utilized for years in Ingham County for Finance, Budgeting, Human Resources and Purchasing operations. In order to maintain the application, receive support, and receive needed software updates an annual maintenance agreement is required and has been purchased every year since Ingham County has owned the application. Last year's total maintenance cost was \$127,563.45 and this year's cost proposed by Tyler Technologies is \$142,970.25, or a 12% increase.

After receiving the invoice I sent our Tyler Technologies Sales Representative an email along with adopted Board Resolution #10-357 regarding our policy on cost increases for service related contracts. As a result, Tyler agreed to reduce the maintenance agreement from a 12% increase to 5%. The total cost for 2011/2012 is \$133,776.63.

I recommend Ingham County continue to maintain service on the Munis software and enter into an agreement with Tyler Technologies.

Thank you for your consideration and feel free to contact me if you have any questions.

Sincerely,

Tom

MEMORANDUM

TO: Finance and Liaison Committees

FROM: Mary Lannoye, Controller

DATE: May 5, 2011

SUBJECT: Resolution Updating Various Fees for County Services

This resolution will authorize the adjustment of various fees for county services to be effective for the Health Department and the Friend of the Court on October 1, 2011 and for all other departments on January 1, 2012. These adjustments are based on an update of the "Cost of Services Analysis" completed by Maximus in 2002. Updated costs were then multiplied by the target percent of cost to be recovered by the fee for services as identified by the Board of Commissioners. Input was solicited from county departments and offices as part of the process of making these recommended adjustments. A full analysis of each fee was presented to all committees at a previous round of meetings.

Since the last round of Committee meetings, a few of the adjusted fees have been changed. Based on the fact that the Environmental Health's P2 Resolution recently passed, the P2 hourly rates are not being adjusted. They will remain at the 2011 rate of \$105 per hour. Therefore, since there is no adjustment, they are no longer included on Attachment A. For the one year Tobacco Sales License fee, there is a different fee set for East Lansing. Since East Lansing charges a \$115 fee for a 3-year license, the annual amount, or \$40, is normally deducted from the County's Non-East Lansing annual license fee. Since the East Lansing fee is set at \$260, the 2012 Non-East Lansing license fee was reduced from \$310 to \$300. Per the Parks Director's request, we have reduced the new fees for Disc Golf. The new daily fee is set at \$4, rather than \$5, and the annual pass is set at \$40, rather than \$50. For additional information, please refer to the attached memo.

If the fee adjustments are passed as proposed, additional annual revenue would total approximately \$200,973. Any additional revenue will be recognized in the 2012 Controller Recommended Budget.

As directed by the Board of Commissioners, the Controller's Office has incorporated the update of county fees into the annual budget process. This will allow the county to annually and incrementally adjust fees based on changing costs, rather than to make large adjustments at one time.

Please contact me if you have any questions regarding this information.

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION UPDATING VARIOUS FEES FOR COUNTY SERVICES

WHEREAS, the Board of Commissioners set various fees for county services in Resolution #02-155 based on information and recommendations of the *Maximus Cost of Services Analysis* completed in 2002; and

WHEREAS, the Board of Commissioners also established the percent of the cost of providing the services which should be recovered by such fees, referred to in this process as a “target percent”; and

WHEREAS, the Board of Commissioners has directed the Controller/Administrator’s Office to establish a process for the annual review of these fees and target percents; and

WHEREAS, this process begins with the calculation of a cost increase factor, which is equal to the previous three year average increase in general fund adopted budget for the appropriate departments; and

WHEREAS, this cost increase factor is applied to the previous year’s calculated cost and multiplied by the target percent and in most cases rounded to the lower full dollar amount in order to arrive at a preliminary recommended fee for the upcoming year; and

WHEREAS, in cases where the calculated cost multiplied by target percent is much higher than the current fee, the fee will be recommended to increase gradually each year until the full cost multiplied by target percent is reached, in order to avoid any drastic increases in fees; and

WHEREAS, in cases where the calculated cost multiplied by target percent is lower than the current fee, no fee increase will be recommended for that year; and

WHEREAS, after initial recommendations are made by the Controller/Administrator, these recommendations are distributed to the affected offices and departments, in order to receive their input; and

WHEREAS, after reviewing the input from the affected offices and departments, the Controller/Administrator makes final recommendations to the Board of Commissioners; and

WHEREAS, the Controller/Administrator’s Office has finished its annual review of these fees and recommended increases where appropriate based on increased costs of providing services supported by these fees and the percent of the cost of providing the services which should be covered by such fees as established by the Board of Commissioners; and

WHEREAS, the Board of Commissioners has reviewed the Controller/Administrator’s recommendations including the target percentages, along with recommendations of the various county offices, departments, and staff.

THEREFORE BE IT RESOLVED, that the Board of Commissioners authorizes or encourages the following fee increases in Attachments A and B at the rates established effective January 1, 2012 with the exception of the Health Department and Friend of the Court, where new rates will be effective October 1, 2011.

BE IT FURTHER RESOLVED, that the fees within major Health Department services are not included on the attachments and were not set by the policy above, but rather through policy established in Resolutions #05-166 and #05-242.
