Excavated hole 10.2' x 7.8' to an average depth of 3.6' south of and including center- line of Nichols Road and on extended pole line to the south. Found 1" x 2.5' gas pipe just below asphalt surface, located + 2.0' south of centerline Nichols Road and on ex- tended pole line to the south. Further excavation revealed various stores around and beneath the gas pipe. Accepted gas pipe as corner as it is similar to other monument- ation found in the area and it is in accord with adjacent occupation. Measured east + 26.45' to gas pipe at apparent location of F-13.
