In survey No. 1811 the lands to be located and the lines and corners located and established were the entire boundary lines of the S.E. $\frac{1}{4}$ of the S.E. $\frac{1}{4}$ of Section Number 14 and the east and south boundary of the N.E. $\frac{1}{4}$ of the S.E. $\frac{1}{4}$ of Section No 14 in T12N of R1E Township of (Bunkerhill). In the above survey it was found necessary to locate the $\frac{1}{4}$ section fast between sections 13 and 14 and also the section corner of sections 11-12-13-14 which was done by running the section line between sections 13 & 14 to intersect the section line between sections 11 & 12 and then running the line from the $\frac{1}{4}$ fast between sections 11 & 14 East upon the same bearing as the west $\frac{1}{2}$ mile of the same line and intersecting the N & S line at a point 399 rods & 6 links North of the section corner of sections 13-14-23-24 and the corner reestablished at the intersection of the two lines and indicated by the letter (V) in the plat and a long W. Oak post - post - hewn square and driven for the corner and witnessed by a willow 8 in N 69 4 E 41 3 $\frac{1}{2}$ links distant.
