Attention Mr. Oscar Boss or Mr. Steve Morgan

Dear Sirs:

The field and research staff at the Ingham County Survey and Reconnaissance Project have notified me of what they believe may be an error in a Corner Recordation Certificate (Liber 3, page 249, Ingham County Register of Deeds) recorded by you October 9, 1974. This certificate which records corners D-3, E-3, and F-3, T2N-R1E, they believe has an error in part "C" of the certificate. Specifically, the witnesses which you indicate locate E-3 appear to locate F-3 and the witnesses which you indicate locate F-3 appear to locate E-3. These witnesses appear to be reversed.

I would appreciate your investigation into this matter. If I may be of assistance, please feel free to call me. Thank you for your cooperation.

Sincerely,

Ronnie M. Lester
