CERTIFICATE OF SURVEY

I hereby certify to the parties named hereon, that we have, at their direction, surveyed to determine the perimeter of the premises described in three deeds and then divided the tract resulting from the combination of the three descriptions into 2 parcels; that we performed the fieldwork for this survey between December 2000 and May 2001; that we determined the size and shape of the Southeast 1/4 of Section 4, T2N, R1E and subdivided it according to Section 3-89 of the 1973 Manual of Surveying Instructions, US Department of the Interior, Bureau of Land Management; that we retraced surveys recorded in Liber 2 Page 136 and Liber 2 Page 252; that we have found or set, as noted hereon, permanent markers at all corners and angle points of the boundary of the two parcels; and that a concise description of each of the parcels is given hereon.

This survey complies with the requirements of Act 132 of P.A. 1970.

This survey was performed with a ratio of closure on the unadjusted field observations of 1 in 5000.
