A part of the NE 1/4 of the SE 1/4 of Section 4, T2N-R1E, Ingham Township, Ingham County, Michigan, described as follows: Commencing at the E 1/4 corner of said section; thence S.00°20’53”W., along the centerline of Clark Road, said line also being the East section line of said Section, 988.00 feet to the point of beginning of the parcel to be described; thence continuing, S.00°20’53”W., along said centerline and said section line, 332.00 feet; thence N.88°53’75”E., 332.00 feet; thence N.00°20’11”E., 332.00 feet, thence S.88°53’14”N., 1315.82 feet to the point of beginning, containing 10.01 acres more or less and subject to the rights of the public over the existing.

NOTE: 1. The temporary SE corner of Section 4 was set by holding the record distance from the E 1/4 corner of Section 4 and the centerline of Clark Rd.
   2. The temporary SW corner of Section 4, was set on line between the S 1/4 corner, Section 5 and the NW corner, Section 4. The record distance between the S 1/4 corner, Section 5 and the SW corner, Section 4, was held from a survey as recorded in Book #2 of surveys, Survey #130, Ingham County Records.
   3. The temporary S 1/4 corner of Section 4 was set at the split and on line between the SW corner, Section 4 and the SE corner, Section 4, (The equal splits fit the existing roads very well so the temporary SE corner, Section 4 was accepted as good.)
   4. The temporary center of Section 4 was set on line between the N 1/4 corner of Section 4 and the S 1/4 corner, Section 4, the distance between the N 1/4 corner and the center of said Section was held from a survey by T. J. Brown, November 20, 1875, Survey #1464-1466, Ingham County Records.
   5. The location of all temporary points were compared with existing occupational evidence and there was no apparent conflict. Existing descriptions were checked with no apparent conflict so all temporary corners were accepted as good and were witnessed for recording.
