I, Richard W. Steadman, do hereby certify that under requirements of Act 74, Michigan P.A. of 1970, the corner points mentioned in lines 1 and 3 above were, as field survey on May 24, 1976, established, re-established, monumented, re-confirmed, recovered or restored as expressed below and in conformance with regulations and rules therefore as required in the current manual of survey instructions of the United States Department of the Interior, Bureau of Land Management or by a decree of a court of law. Furthermore, that the corner points mentioned in lines 2, 4 and 5 above were, in a field survey on _______ 19____, found, recovered, restored, established or re-established as expressed below and in conformance with the rules of the Michigan State Board of Registration for Land Surveyors or, by a Decree of a Court of law:

A. Description of original monument and accessories and or subsequent restoration:

   I find no further information of record pertaining to this corner; other than surveys dated January 19, 1839 and January 4, 1855 recorded in Volume 1 on Page 138, and Volume 2 on page 237, Ingham County Surveyors Records, giving only the original bearing trees.

B. Description of corner evidence found and or method applied in restoring or re-establishing corner:

   Dug hole in the intersection of Heridian and Brown Roads, and opposite a fence West and about 2 ft. deep, found part of 4" clay pipe with a wood stake inside and a collar of stones and pieces of iron around it.

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner:

   Raised location of wood stake to surface with 1/2" iron pipe in monument box.

   Witnesses:
   N89°W 26.50 ft.
   N89°W 38.95 ft.
   N89°W 46.44 ft.
