Register of Deeds

Ingham County, Mich.

Register of deeds stamp and file number:

1. Austin E. Williams: As hereby certify that under requirements of P.A. 74, Michigan P.A. of 1971, the corner posts mentioned in lots 1 and 2 above were in a field survey on Dec. 12, 1977, established, re-established, measured, re-measured, re-located or relocated as required below, and in accordance with regulations and rules thereon as required in the current manual of survey instructions of the United States Department of the Interior, Bureau of Land Management or by a decree of a court of law. Furthermore, that the corner posts mentioned in lots 4, 6 and 1 above were in a field survey on Dec. 12, 1977, established, re-established, measured, re-measured, re-located or relocated as required below, and in accordance with the rules of the Michigan State Board of Registration for Land Surveyors or by a decree of a court of law.

a. Description of original monument and accessories obliterated

b. Description of new monument and accessories established

c. Location of monument for corner and accessories established to perpetuate locating the position of the corner.

P.S. Here's something curious about this memorandum: for the black oak 1830-6, the root of the tree points due south. This is interesting as it confirms the orientation of the property line as described in the original deed.
