Ronnion M. Lester

I, Ronnie M. Lester, do hereby certify that under requirements of P.A. 74, Michigan P.A. of 1970, the corner points mentioned in lines 1 and 2 above, were in a field survey on November 24 1976 established, re-established, monumented, re-monumented, recovered or restored as expressed below and in conformance with regulations and rules therefore as required in the current manual of survey instructions of the United States Department of the Interior, Bureau of Land Management or by a decree of a court of law. Furthermore, that the corner points mentioned in lines 3, 4 and 5 above were, in a field survey on November 24 1976, found, recovered, restored, established or re-established as expressed below and in conformance with the rules of the Michigan State Board of Registration for Land Surveyors or by a decree of a court of law.

A. Description of original monument and accessories and/or subsequent restoration:

Original monument and accessories lost.

B. Description of corner evidence found and/or method applied in restoring or re-establishing corner:

Set 1/2" Bar & Cap on Township Line GLO falling South (21.78') of NE Corner of the NE Corner of Section 25.

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner:

NW Corner Section 30, T2N, R2E. 1/2" Bar & Cap.
Nail & tag in NE side 5' cherry, SSE, 10.67'
Nail & tag in West side 24' Walnut, NW, 31.69'
1/2" Bar & Cap at NE Corner Section 25, T2N, R1E, North, 21.78'

REGISTER OF DEEDS
INHOMAN COUNTY, MICH

I, Richard W. Stearns, hereby certify that under requirements of P.A.74, Michigan P.A. of 1970, the corner points mentioned in lines 1 and 2 above, established with stakes on an index code diagram were, in a field survey on June 16, 1973, established, re-established, monumented, re-monumented, recovered or restored as expressed below and in conformity with regulations and rules thereafter as required in the current manual of survey instructions of the United States Department of the Interior. Pursuant to Land Management or by a decree of a court of law. Furthermore, that the corner points mentioned in lines 3 and above were, in a field survey on June 16, 1973, found recovered, restored, re-established or re-established as expressed below and in conformity with the rules of the Michigan State Board of Registration for Land Surveyors or by a decree of a Court of Law.

A. Description of original monument and accessories and or subsequent restoration:
The establishment of closing quarter corners was not included in the procedure of the United States Survey of the Public Lands. This task was usually performed by the County Surveyor at a later date. From the Ingham County Records, Vol. 2, Page 337, it appears that County Surveyor T. J. Brown established this corner in a survey dated April 23, 1858, noting the following witnesses: 30° W. Oak N28 1/20 79° 1/2 l. k., and 5° Cherry N28 1/20 44 l. k., but no monument description.

B. Description of corner evidence found and or method applied in restoring or or establishing corner:

Dog hole in fence line on line with fence east, and 2 ft. West of east shoulder of road, found large pointed stone with smaller stones around it.

Oscơbede Rd

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner.

DEED NO. 38357
RECORDED PLAT
PRIVATE CLAIM

I, Richard W. Steadman, do hereby certify that under requirements of P.A. 74, Michigan P.A. of 1970
the corners mentioned in lines 1 and 2 above (indicated with circles on index code diagram above) were, in a
field survey on June 16-73, established, re-established, monomemented, re-monumented, re-recorded or
restored as expressed below and in conformance with regulations and rules therefore as required in the current manual
of survey instructions of the United States Department of the Interior, Bureau of Land Management or by decree of a
court of law. Furthermore that the corners posted mentioned in lines 1, 2 and 3 above were, in a field survey on
June 16-73, established, re-established, monomemented, re-monumented, re-recorded or
restored as expressed below and in conformance with regulations and rules therefore as required in the current manual
of survey instructions of the United States Department of the Interior, Bureau of Land Management or by decree of a
court of law.

A. Description of original monument and accessories and or subsequent restoration
Original monument: wood post set by Joseph Wampler U.S. Deputy Surveyor
in 1825. Bearing trees: 20° W. 1/2 M 544 1/2 lks, and 26° E 542 1/2 M
66 lks.

Restoration: From the Ingham County Surveyors Records, Vol. 5, Page 40, In
as survey dated May 31, 1900, Deputy County Surveyor E. A. Calkins calls for
this corner to be a "post of oak, iron to be set, from which bears a 10° E
323° N 24 lks. and a 15° W. Sup. Oak 544 1/2 46 lks."

B. Description of corner evidence found and or method applied in restoring or re-establishing corner.
Found wood anchor post at four way fence intersection.

C. Description of monument for corner and accessories established to properly locate the position of the corner:
I assumed that the wood anchor post marks the corner.
Witnesses: 14° Oak
North 4.9 ft.
8° Oak
M.N.W. 26.6 ft.
Twin 4° Ironwood
WNW 23.5 ft.
