Survey of the E 1/4 of Section 24 of Township 24 of Range 100 North
 of Meridian and 1/2 mile out because of its monumentation in the highway and was
 relocated by the N.O. bearing true which L.D. Preston has perpetuated in his private
 records and further proven by crossing that was barged under the stone and which
 agreed with the above mentioned private notes the corner D has been the acknowledged
 corner as long as the older residents of the neighborhood have been there and 40 years
 the corner B is on a right line and equal distant from A to D and the corner E is
 equal distant from B to H and the corner K and J set off forty acres from the
 East side of the E 1/4 of Section 24
