Survey of the North-West quarter, of Section A Thirty two, in Township 4th Two North, of Range 4th Two East, as shown by the plat. The corner A was placed where it now is by Mr. Lewis of Washington Co. and whether it is the original corner or not I cannot say, but it is not doubtful; at B we found the original corner, but the quarter Post E was gone and established at the intersection of the Quarter line from the E corner P through D (both made by Mr Jackson - See Liber 2, Page 206 with the Section line A. S. The corner as established and perpetuated was described below as follows. Viz:
