

SPECIAL COLLECTION EVENT

Recycle plastic containers from planting!

July 15, 2008 from 2:00 PM to 7:00 PM

Van Atta's Greenhouse

9008 Old M 78 Haslett, MI 48840

Van Atta's in conjunction with the Regional Recycling Coordinating Committee is pleased to announce a pilot program to assist residents to recycle a variety of containers used in planting. More information on the types of containers, and how they should be prepared is provided on the back side of this flyer. For additional information contact AGENCY NAME at AGENCY NUMBER.

ITEMS ACCEPTED:

Most types of containers will be accepted, but items are generally limited to pots, flats, plug trays and cell packs with one of the following symbols on the bottom of the container:

2. HDPE = High Density Polyethylene
5. PP = Polypropylene
6. PS = Polystyrene

ACCEPTANCE GUIDELINES:

All items must be free of dirt, with like items stacked together.

Any items with dirt or debris, or not stacked neatly, will be turned away. Please understand the labor necessary to package items for transport to a recycler and respect these requirements, thank you!

EXAMPLES OF ITEMS ACCEPTED:

Pots of any size:

Cell Packs:

Flats & Plug Trays:
