MOTION CARRIED UNANIMOUSLY.

2. City of Lansing and 911 Technology Committee - Resolution Authorizing a Contract with VisionAIR for a New Computer Aided Dispatch (CAD) for the Lansing 911 Center and to Upgrade Both 911 Centers Manual Emergency Medical Dispatch (EMD) Programs

MOVED BY COMM. DE LEON, SUPPORTED BY COMM. COPEDGE, TO APPROVE THE RESOLUTION AUTHORIZING A CONTRACT WITH VISIONAIR FOR A NEW COMPUTER AIDED DISPATCH (CAD) FOR THE LANSING 911 CENTER AND TO UPGRADE BOTH 911 CENTERS MANUAL EMERGENCY MEDICAL DISPATCH (EMD) PROGRAMS.

Mr. Neilsen explained how the implementation of VisionAIR Computer Aided Dispatch (CAD) would allow the Lansing and East Lansing 9-1-1 centers to jointly operate from a shared server, and is the solution to consolidate operations at the new 9-1-1 center building. He also noted that the addition of the APCO MEDS software to the VisionCAD will integrate the Emergency Medical Dispatch (EMD) program with the CAD.

Mr. Neilsen further explained that the products purchased through the COPS IT grant such as VisionMOBILE, and Vision Field Base Reporting could be activated.

Mr. Neilsen advised the Committee that by changing to the VisionAIR products it would be an approximate savings of \$81,791.80 per year, in the annual maintenance and technical support, thus it would pay for itself within 6.3 years. He further advised the Committee that in the next several months he would be requesting the purchase of new radios and a recorder system for the 9-1-1 centers.

MOTION CARRIED UNANIMOUSLY.

3. P2 Regulation Statement

Comm. Schafer expressed his concern that it is important to pass the P2 Regulation. Comm. Celentino noted that the Adams Plating fire in Lansing Township is evidence of why the P2 Regulation is a good idea.

4. Inmate Billing Statement

Comm. Schafer informed that Committee that there is a first night \$30 lodging fee charged by the city of East Lansing when holding drunk drivers overnight, and that it may be an example to follow.

Announcements:

Board Chairperson Grebner asked if there was an update about the Police Services status of Williamstown and Alaiedon Township. Mr. Neilsen stated that he has had discussions with the Undersheriff, and there would be a formal resolution presented in February. He also noted he has received the Williamstown Township Police Services contract and as directed in the resolution, the two laid-off Sheriff Deputies are being considered for employment. Mr. Neilsen also advised the Committee that Alaiedon and Aurelius Townships still have an interest in the funding. He noted that the Sheriff's Department intends on sending out the resolution advising the Townships that the funds are available through December 2011, as well as, reminding them that the County Sheriff's Department is working with a reduced staff, and what the townships can expect the Sheriff's Department will respond to.

Comm. Schafer welcomed Sherene Tagharobi, WILX.

FEBRUARY 10, 2011 LAW ENFORCEMENT AGENDA STAFF REVIEW SUMMARY

RESOLUTION ACTION ITEMS:

The Deputy Controller is recommending approval of the following resolutions:

1(a). Animal Control (see the attached memo)

Resolution Authorizing an Agreement with the United States Department of Agriculture Office of Inspector General for the Purpose of Receiving Reimbursable Costs for Providing Resources for a Joint Dog Fighting Operation

The Resolution would authorize Ingham County Animal Control Department to participate with the United States Department of Agriculture Office of Inspector General and other local and state agencies for joint law enforcement operations investigating major dog fighting organizations. This grant agreement, will reimburse the County for eligible expenses including certain overtime, investigative equipment, travel, training, housing and boarding of animals and other expenses up to \$10,000, for the time period of March 15, 2011 through September 30, 2011.

The County participated in this program last fiscal year as well.

1(b). *Resolution Authorizing an Agreement with the Michigan Department of Agriculture for the Purpose of Receiving Reimbursable Costs for Providing Spay/Neuter Surgeries to Animals at Ingham County Animal Control*

The Resolution would authorize Ingham County Animal Control Department to participate with the Michigan Department of Agriculture for the Companion Animal Welfare Fund which supports projects that increase the sterilization of dogs and cats adopted from shelters to prevent the continued overpopulation of these animals. This grant agreement will reimburse the County for expenses including surgery supplies, equipment and labor associated with the spaying and neutering of shelter animals up to \$10,000, for the time period of March 1, 2011 through December 31, 2011.

RE: Resolutions for Cost Reimbursements from Office of Inspector General and the Michigan Department of Agriculture

I have two resolutions before you that will greatly enhance Ingham County Animal Control's (ICAC) ability to provide better services to the community.

The first proposal from The Office of Inspector General (OIG) is a grant for \$10,000. This resolution is exactly the same as the resolution approved in 2010 for \$30,000 which was distributed to ICAC for the purpose of investigating criminal dog fighting. The equipment purchased and overtime was paid through this grant. It was crucial to the successful conviction of several long-time dog fighters who based their operations in Ingham County. ICAC's investigation of these individuals and their associates resulted in multiple warrants; felony convictions; jail time and restitution to ICAC. The resolution proposed for 2011 would again coordinate ICAC and OIG efforts by reimbursing ICAC for overtime hours dedicated to dog fighting in Ingham County up to \$10,000. These funds go a long way to make our citizens safe and rid Ingham County of the brutal blood sport of dog fighting and the associated crimes that come with it. This collaboration has been successful and beneficial for Ingham County and its residents--both its two legged as well as four legged residents.

The second resolution pertains to The Michigan Department of Agriculture's (MDA) grant to ICAC for the purpose of ensuring that all animals adopted from ICAC will be spayed or neutered before being adopted. This has been a goal of ICAC since 2004 as spay/neuter programs are the most effective tool in combating overpopulation in animals. However, despite ICAC's aggressive efforts since 2004 at a 20 percent spay/neuter rate vs. an 80 percent rate in 2009, there is still work to be done. It is estimated that 300 animals annually are adopted that have not been spayed or neutered because ICAC lacks the funds and facilities. This grant will bring us closer than ever to reaching 100 percent compliance.

The timing is perfect as ICAC is currently retrofitting a bay area in the shelter to be used as a surgery room for this purpose. The renovation monies were approved under the CIP funds for 2011 improvements. The MDA grant will be utilized to purchase \$7,000 in supplies and equipment and up to \$3,000 to reimburse the county for labor directly associated with this project.

These two cost reimbursement resolutions will have long term positive impacts on both the quality of life for its citizens and its pets in Ingham County for years to come.

SUBJECT: Resolution to Authorize Entering into Contract with Williamstown Township in Order to Provide One Time Funding to Supplement Police Services to County Residents

Commissioners:

This resolution will authorize entering into contract with Williamstown Township in order to provide one time funding to supplement Police Services to County residents through their agreement with Meridian Township for Law Enforcement Services.

The Board previously passed two resolutions to establish and later refine this policy. Resolution #10-377 was amended by Resolution #10-409 (see the attached), to allow payment to Williamstown Township upon signing of a police services contract with Meridian Township, provided such contract specify that Meridian Township agrees to first offer any positions newly created as a result of such contract to qualified laid off Ingham County Sheriff Deputies.

Williamstown Township has since executed a police services contract with Meridian Township that specifies in section Seven (7) “Meridian agrees to first offer any positions newly created as a result of this Agreement to qualified laid off Ingham County Sheriff Deputies”.

The one time funding to supplement Police Services to County residents through their agreement with Meridian Township for Law Enforcement Services is in the amount of \$122,678, for Williamstown Township as established by Resolution #10-377 and the “Ingham County Police Services Incentive Funds Schedule”.

Williamstown Township has therefore met the criteria established by the Board of Commissioners and I would recommend approval of the Resolution as presented.

If you should have any additional questions, please contact me.

Agenda Item 3

TO: Ingham County Board of Commissioners

FROM: Scott Hughes, Ingham County Prosecutor's Office

DATE: February 7, 2011

The Ingham County Prosecutor's Office has administered the Juvenile Accountability Block Grant (JABG) program since 1998. The attached resolution would continue the program, which uses grant funding, as well as a ten percent county match, to provide diversion services to juvenile offenders. For the 2011-12 financial year, \$19,666 has been offered to Ingham County. With a county match of \$2,185, the program would have an annual budget of \$21,851.

The Prosecutor's Office contracts with the Dispute Resolution Center of Central Michigan to provide interventions to juveniles accused of ticket offenses such as truancy, curfew violations and disorderly conduct. In addition, students can be referred to the program from the Lansing School District, for disciplinary offenses such as fighting.

Students are enrolled in the Dispute Resolution Center program, which provides for a restorative justice intervention panel, as well as a six-hour weekend seminar. In this program, the youths accept responsibility for their actions and work toward improved behavior, such as conflict resolution without aggression.

The JABG program saves county and court resources by allowing juvenile offenders to be diverted to a pre-adjudication intervention, where their issues are addressed with appropriate and cost-effective programming.

WHEREAS, the Dispute Resolution Center of Central Michigan has provided quality services to Ingham County youth through the Juvenile Accountability Block Grant, providing early intervention for low-level juvenile offenders with ticket offenses; and

WHEREAS, the services provided by the Dispute Resolution Center through the Juvenile Accountability Block Grant save court resources, by managing juvenile ticket offenses that would otherwise be submitted to the Circuit Court-Family Division; and
